

DISHWASHER TABLETS 5-IN-1 BOX OF 100 – 0705

Acts in five ways to ensure that dishes are left sparkling.

- ❖ Excellent cleaning power
- ❖ Incorporates low foam detergents and wetting agents
- ❖ For use in all levels of water hardness
- ❖ Machine dishwash is entirely biodegradable
- ❖ Quality systems ensure high quality product

USES:

For use as an extremely effective cleaner of dishware in large and small establishments such as schools, hotels, hospitals, public bars, nightclubs etc. They are a single dose product which will give excellent cleaning results.

Under normal circumstances softening salt and rinse aid will not be required. These tablets have been tested in very high hard water levels.

DIRECTIONS:

Remove food scraps and rinse heavily soiled items before loading the dishwasher. Load the machine according to manufacturer's instructions. With dry hands place one tablet into the dishwasher detergent dispenser as normal. There is no need to open the sachet to release the contents as the film is soluble in the machine wash water.

Rinse hands after use. People with sensitive or damaged skin should avoid prolonged contact with the product.

TECHNICAL SPECIFICATION:

Individual soluble sachets.

When stored upright in original sealed container shelf life is 12 months. Ensure lid is closed.

Usage – use 1 tab per standard wash cycle (domestic)

SAFETY. KEEP OUT OF REACH OF CHILDREN

If in contact with eyes wash thoroughly with clean water for 15 minutes holding the eyelids open. If there is any redness, pain or visual impairment consult and ophthalmologist.

Wash hands after handling.

If swallowed seek medical attention showing the label.

As a general rule, in case of doubt or if symptoms persist, always call a doctor. NEVER induce swallowing by an unconscious person.
